WELCOME TO HARLEY SUMMER DAY CAMP

The Harley Summer Day Camp is a small neighborhood day camp for kids **Grades K-6**, with a low counselor-to-camper ratio. Our veteran staff is friendly and caring. Campers enjoy an active, entertaining—and FUN—summer experience, where they make friends, learn new skills, and take home some lifelong memories.

Located at The Harley School in Brighton, we have outstanding air-conditioned facilities, an indoor pool, onsite medical staff, and lunch and snacks are included. Camp runs daily from **8:45 am to 3 pm** with early drop off and Extended Day are available for an additional fee.

Day campers will rotate through various activities every morning with trained specialists in outdoor skills, sports activities, arts & crafts, and other fun activities. Daily swimming lessons will be provided by the aquatics staff. Lunch and a snack is included. We have various all-camp activities throughout the week. Past all-camp activities have included a performance by a magician/storyteller, bounce houses, color week, a talent show, or Wild Water Day!

DAY CAMP

Extended Day Program:

Grades K-6

Families wishing to extend their child's day at Harley may enroll in our Extended Day program. Please register for Extended Day by the week.

June 12-August 4

(no camp June 19 or July 4)

7:30 to 8:45 am and **3 to 5:30 pm**

Fee: \$120 per week

June 12-August 4

(no camp June 19 or July 4)

7:30 to 8:45 am only

Fee: \$45 per week

June 12-August 4

(no camp June 19 or July 4)

3 to 5:30 pm only

(includes a light snack)

Fee: \$90 per week

Summer Nursery

FOUR TWO-WEEK SESSIONS 8 am to 3 pm

Session 1
June 12-23*
Fee: \$700

Session 2
June 26-July 7*
Fee: \$700

Session 3
July 10-21
Fee: \$775

Session 4
July 24-August 4
Fee: \$775

Bonus week
August 7-11
Fee: \$380

An extension of Harley's school-year Nursery program, the Summer Nursery session is specifically intended for children entering a Nursery 4 or Pre-K program. Designed to foster exploration of nature, the program takes place primarily outdoors. Our experienced faculty guides children through activities that cultivate curiosity and build confidence, creating a positive foundation for learning. To enroll in the Summer Nursery program, your child must turn four years old by

Extended Day:

3 to 5:30 pm

is available and included in cost

* No Summer Nursery
June 19 and **July 4**

** Bonus week is free for students registered for all four sessions. These students will get priority placement for this week. If space is available, cost will be **\$380** for all other students.

ECO CAMP

August 7-25

Grades K-5

8:45 am to 3 pm

Fee: \$900 for three-week camp

Eco Camp, a fun, environmentally-focused day camp! Campers will take advantage of our nature center, natural playground and outdoor classrooms, Micro-farm, Allens Creek, greenhouse, Harley swimming pool,, and teaching kitchen. We will incorporate art, science, nature, organic gardening, vegetarian cooking, drama, storytelling, music, and movement during our adventure-filled days.

Mixing citizen science, research, hands-on projects, hikes, offsite experiences, and the creation of presentations to share, campers will learn in a fun, varied way.

The three-week program begins each day with a morning meeting, then breaks into groups according to age. We will explore a common theme each day, reconvening at both lunch and the end of the day to create a student-driven "idea share" discussing what was discovered. This model fosters inquiry and reinforces our collective, integrated learning community. (Please bring change of clothes, sneakers, swimsuit, and water shoes.)

Extended Day

available at additional cost:

7:30 to 8:45 am and **3 to 5:30 pm**

Fee: \$275 for three weeks

Summer ACADEMY

Summer Academy offers weekly programs, classes, and camps for all ages in academics, art, music, dance, language, robotics, sports, STEM, College Application Prep, and Driver's Education. Classes include glass flame beadwork, fencing, Lego Mindstorms, movie making, entrepreneurship, 3D printing, creative writing and cooking. Check out the brochure for the full listing and class descriptions.

This is the perfect opportunity for your child to explore their interests. Participants can build a robot, bake a cake, play in a rock band and more! Half day programs allow your child the opportunity to choose multiple areas to explore.

JUNE 20 TO JUNE 23

CAKES, CUPCAKES AND COOKIES

June 20-23

Grades 5-8

9 am to 3 pm

Fee: \$250

Learn the art of baking and decorating! We will create a delicious assortment of sweet treats including cakes, cupcakes, cookies, and more. We will make roses out of buttercream, work with royal icing, sculpt decorations out of fondant and more. Campers need to bring lunch daily. **AMY BRAND**

JUNE 20 TO JUNE 23

CAPOEIRA SUMMER CAMP

June 20-23

Grades 3-5

12:30 to 3:30 pm

Fee: \$155

Capoeira is an Afro-Brazilian martial art that combines movement, music, and self-defense practiced in a supportive community. Students will learn fundamental movements, kicks, escapes, songs, percussion, dance, and the history of this rich practice. We will hunt through the wooded Harley Campus for materials to make our own instruments for Capoeira percussion. Students will develop strength, flexibility, interpersonal connection, and self-expression. They will benefit from faster reflexes as they learn how to create graceful, impactful movement through the martial art. Capoeira is practiced in communities around the world, by people of all ages, gender, and backgrounds, and it is known for helping create increased body awareness and healthy fitness habits, deeper friendships, and mental acuity.

HOPE KANTOR

CERAMICS: HANDBUILDING

June 20-23

Grades 5-8

9 am to 12 pm

Fee: \$170

In this course, students will review techniques of working in clay (coil, slabs, hollow forming, and pinch pots). Students will create sculptures and functional items, from cartoon characters and creatures to boxes and mugs. This course will cover glazing and painting of finished work. (Note: We will be unable to glaze all pieces during the class times. An included glazing day will take place in late July or early August.)

REBECCA TRACEY

DAY TRIPS TO STATE PARKS

June 20-23

Grades 7-12

8:30 am to 3:30 pm

Fee: \$285

The Harley bus will take campers to nearby parks such as Letchworth, Stony Brook, Hi Tor, Grimes Glen, Watkins Glen, and Chimney Bluffs. They will enjoy a variety of outdoor activities including hiking, climbing, swimming, and sightseeing as they are introduced to the wide range of natural beauty in the region. (Campers need to bring water bottle, snack, and lunch daily.)

DOUG GILBERT

JUNE 20 TO JUNE 23

GLASS FUSING AND MOSAICS

June 20-23

Grades 5-8

12:30 to 3:30 pm

Fee: \$210

In this exciting camp students will create fused glass mosaic tiles, plates, and bowls by cutting glass and fusing it in a kiln. Previous projects have also included windchimes, sandblasted glass, and slumping recycled bottles.

REBECCA TRACEY

LEGO ROBOTICS

June 20-23

Grades 3-5

12:30 to 3:30 pm

Fee: \$155

From self-driving cars to floor-cleaning vacuum bots, home automation, medical procedures, aeronautics, and space exploration, robotics is a global phenomenon! Join us and explore robotics in a hands-on, weeklong program. Participants will investigate the expanding applications of modern robotics as they design, build, and program robots using Lego Mindstorms EV3 Home Edition kits. In an exhibition at the end of the week, campers will demonstrate their bots performing the actions the campers have programmed them to do.

CHRISTINA KERR

LET'S PLAY CHESS

June 20-23

Grades 3-9

12:30 to 3:30 pm

Fee: \$155

It doesn't matter if you are a beginner or a seasoned chess player, Let's Play Chess will improve your understanding of the game and help you to develop your own strategies to become a proficient player. Enjoy a week of daily competition against other students, tactical and situational instruction, game theory, and more!

KEN MCBRIDE, ROCHESTER CHESS CENTER

PRINCE AND PRINCESS DANCE CAMP

June 20-23

Ages 3-6

9 am to 12 pm

Fee: \$155

Calling all Princes and Princesses, you are invited to join us for a week of royal dance and fun. We'll dance just as we've seen our favorite princes and princesses do, play games, and create magical crafts. A virtual showcase of pictures and videos from our week will be emailed to parents.

FITZSIMMONS DANCE FACTORY

JUNE 26 TO JUNE 30

ANTI BULLYING: FINDING STRENGTH THROUGH POETRY AND SONG

June 26-30

Grades 5-8

12:30 to 3:30 pm

Fee: \$190

The members of this course will be exposed to a variety of inspirational poems and songs and will have the opportunity to offer their own stories and experiences for discussion. From there, the emphasis is on creative writing, generating original material that is meant to be shared. The poems are designed to be read aloud in a respectful, receptive atmosphere. The songs are meant to be performed for the group with musical accompaniment provided either by themselves, their peers or by the teacher.

SID KRUPKIN

CAKES, CUPCAKES, AND COOKIES

Morning session I:

June 26-30

Grades 3-5

9 am to 12 pm

Fee: \$220

Afternoon session II:

June 26-30

Grades 3-5

12:30 to 3:30 pm

Fee: \$220

Learn the art of baking and decorating! We will create a delicious assortment of sweet treats including cakes, cupcakes, cookies, and more.

AMY BRAND

CERAMICS: HANDBUILDING

June 26-30

Grades 5-8

12:30 to 3:30 pm

Fee: \$200

In this course students will learn various clay techniques (coil, slabs, and pinch pots). Students will create sculptures and functional items ranging from cartoon characters and creatures to boxes and mugs. This course will cover glazing and painting of finished work. (Note: We will be unable to glaze all pieces during the class times. An included glazing day will take place in late July or early August.)

REBECCA TRACEY

JUNE 26 TO JUNE 30

CERAMICS: WHEEL THROWN

June 26–30

Grades 5–8

9 am to 12 pm

Fee: \$200

In this course students will go over basic wheel throwing techniques. Students will experiment with thrown forms such as mugs, bowls, plates, and vases. This course will cover surface decoration, glazing, and finishing. Enrollment limited to 10 students. (Note: We will be unable to glaze all pieces during the class times. An included glazing day will take place in late July or early August.)

REBECCA TRACEY

DRAWING AND PAINTING

June 26–30

Grades 3–5

12:30 to 3:30 pm

Fee: \$190

This class is intended as a beginner introduction to drawing and painting techniques. Students will learn to use charcoal, drawing pencils, watercolor, and ink to create portraits, landscapes, still lifes, and more. There will be guided exercises as well as open studio time for artists to explore their own interests.

ELL HOBBS

FLAMEWORKING WITH GLASS

June 26–30

Grades 8–12

9 am to 12 pm

Fee: \$315

Participants will learn the basics of glass-making in the Harley glass studio. Beginners will be introduced to heating and glass control and then learn how to make simple shapes and figurines. Advanced students work on projects that fit their interests and skill levels. Enrollment limited to six students.

SHANE CARYL

GUITAR CAMP

June 26–30

Grades 3–5

9 am to 12 pm

Fee: \$190

Learn to play guitar! Participants will learn basic guitar technique and easy pieces. Students will play musical games to develop rhythm and listening skills, and will learn how to tune the guitar, read music, strum, and play as an ensemble. Participants are encouraged to bring their own guitars (nylon-string classical guitars are preferred, but any acoustic guitar will work).

ERIK GIBELYOU

JUNE 26 TO JUNE 30

LET'S PLAY CHESS

June 26-30

Grades 3-9

12:30 to 3:30 pm

Fee: \$190

It doesn't matter if you are a beginner or a seasoned chess player, Let's Play Chess will improve your understanding of the game and help you to develop your own strategies to become a proficient player. Enjoy a week of daily competition against other students, tactical and situational instruction, game theory and more!

KEN MCBRIDE, ROCHESTER CHESS CENTER

STITCH AND SEW

June 26-30

Grades 3-5

9 am to 12 pm

Fee: \$190

Students will learn basic stitching and sewing skills and will practice using different needles to embroider and sew stitches in order to create their own handmade pieces, such as stuffed creatures, dolls, bags, wall hangings, and more.

ELL HOBBS

WRITING THE COLLEGE APPLICATION ESSAY

June 26-30

Grade 12

9 am to 12 pm

Fee: \$190

This supportive, weeklong writing workshop will give rising seniors the opportunity to focus on an important and intimidating part of their Common App: the personal essay. Students will begin by reading model essays and familiarizing themselves with the expectations for this genre. We will engage in a number of informal exercises designed to help students think about who they are and how they want to represent themselves, and learn and practice storytelling techniques that will make their writing compelling. The week will wrap up with structured peer review and tips for self-editing. The goal of the course is not just for students to produce a workable rough draft of the application essay, but for them to gain a better understanding of the college application process as a whole.

PATRICIA MALONE

JULY 10 TO JULY 14

BUGS, BIRDS, AIR, MUD, AND WATER

July 10–14

Grades K–2

9 am to 3 pm

Fee: \$300

An outdoor camp focused on bugs and birds and their environments: air, mud, and water. To see the world as a bug or a bird is to see it in a new and curious manner. All areas of the Harley outdoor campus will be explored as we look at the habits, food, and predators that impact these crawling and/or flying animals. (Note: Campers need to bring a bag lunch, snack and water bottle daily. Raincoats are suggested for sitting on wet ground and/or a light sprinkle.)

ROBIN LONG

CERAMICS: WHEEL THROW

July 10–14

Grades 5–8

9 am to 12 pm

Fee: \$200

In this course students will cover basic wheel throwing techniques. Students will experiment with thrown forms such as mugs, bowls, plates, and vases. This course will cover surface decoration, glazing, and finishing. Enrollment limited to ten students. (Note: We will be unable to glaze all pieces during the class times. A glazing day is included that will take place in late July or early August.)

REBECCA TRACEY

COOKING CAMP

July 10–14

Grades 4–8

9 am to 12 pm

Fee: \$220

Research shows children who are involved with cooking are better, healthier eaters. Have fun as we learn to cook delicious, healthy meals. Together we will find recipes, plan our menu, calculate serving sizes, prepare ingredients, and cook the food. Each day we will prepare a different full meal with dessert, taste our creations, and then package them up to take home.

MARGARET TOLHURST

DANCE: MERMAIDS AND PIRATES

July 10–14

Ages 3–6

9 am to 12 pm

Fee: \$190

Join us for our new under-the-sea themed camp. We will dance to music from The Little Mermaid, create underwater crafts, and play games. A virtual showcase of pictures and videos from our week will be emailed to parents.

FITZSIMMONS DANCE FACTORY

JULY 10 TO JULY 14

DAY TRIPS TO STATE PARKS

July 10–14

Grades 7–12

8:30 am to 3:30 pm

Fee: \$355

The Harley bus will take students to nearby parks such as Letchworth, Stony Brook, Hi Tor, Grimes Glen, Watkins Glen, and Chimney Bluffs. They will enjoy a variety of outdoor activities including hiking, climbing, swimming, and sightseeing in settings close to home as they are introduced to the wide range of natural beauty in the region. Campers need to bring water bottle, snack, and lunch daily.

DOUG GILBERT

FLAMEWORKING WITH GLASS

July 10–14

Grades 8–12

9 am to 12 pm

Fee: \$315

Participants will learn the basics of glass making in the Harley glass studio. Beginners will be introduced to heating and glass control and then learn how to make simple shapes and figurines. Advanced students work on projects that fit their interests and skill levels. Enrollment limited to six students.

SHANE CARYL

INTRO TO ROBOTICS – MICROCONTROLLERS, ROBOTICS, ROVERS AND BEYOND – INVENTING WITH MICRO:BIT

July 10–14

Grades 7–12

9 am to 3 pm

Fee: \$385

The world is full of automated and remote-controlled devices—but how do they all work? Campers will investigate the fundamentals of electronics, coding and logic, delve into design thinking, and learn practical skills such as wiring, soldering, and even 3D design and printing! Using low voltage (3v to 5v) Micro:bit microcontrollers (small, programmable circuit boards), campers begin by creating simple circuits and basic code that controls different components such as LED lights, Piezo speakers (sound) and mechanical movement. After learning the basics, campers will create experimental projects and incorporate their own design ideas and imagination. Campers will have the option of using a Block Coding Language (MakeCode) and Python Coding Language. They will write code for their experiments and projects, as well as modify existing code and adapt the code to improve their project design's functionality.

JEANNE WEBER

*Cost includes the experimental kit and supplies, which they will be able to take home with them along with their project.

JULY 10 TO JULY 14

JEWELRY

July 10–14

Grades 5–8

12:30 to 3:30 pm

Fee: \$200

Students will learn a variety of techniques in wire, sheet metal, polymer clay or conventional clay, beading, hemp, and found objects. They will create different types of jewelry including pendants, necklaces, bracelets, rings, and earrings.

REBECCA TRACEY

LEGO ROBOTICS

July 10–14

Grades 3–5

12:30 to 3:30 pm

Fee: \$190

From self-driving cars to floor-cleaning vacuum bots, homeautomation, medical procedures, aeronautics, and space exploration, robotics is a global phenomenon! Join us and explore robotics in a hands-on, weeklong program. Participants will investigate the expanding applications of modern robotics as they design, build, and program robots using Lego Mindstorms EV3 Home Edition kits. In an exhibition at the end of the week, campers will demonstrate their bots performing the actions the campers have programmed them to do.

CHRISTINA KERR

MUSIC & ART

July 10–14

Grades 5–8

9 am to 12 pm

Fee: \$190

Spend a week creating art while learning about innovative composers and groundbreaking artists! Campers will listen to examples of absolute music from Bach and Brahms while creating work based on Kandisky's abstract art, then focus on Impressionism as we make a water lily print based on the art styles of Monet and Degas (while listening to Debussy and Ravel). Other styles will include pop art and pop music (Van Gogh), minimalist music (Arvo Part & Henryk Gorecki) and minimalist art (Jo Baer & Piet Mondrian). This music and art overview experience will be tailored specifically to each age group.

KELLY STEVENSON

JULY 10 TO JULY 14

OOEY-GOOEY SCIENCE

July 10-14

Grades 3-5

9 am to 12 pm

Fee: \$200

Ever wonder why solids, liquids, and gasses do what they do? Why do some things mix and others don't? Then slime camp is for you. Each day we will make a different ooey-gooley substance and look at the science behind our results.

AMY BRAND

TINY TO TALL: A STORYBOOK ADVENTURE ALL ABOUT PERSPECTIVES

July 10-14

Grades K-2

9 am to 12 pm

Fee: \$190

Consider what it would be like to live in a home with an acorn for a table and a needle for a sword. It would mean lots of action-packed adventures just to get your food and survive among big people. How could you do it? Or, consider what it would be like to be a giant. What would the world look like? How would you live? This week campers will enjoy stories about small and tall storybook characters, and make objects to help us experience what it might be like to live in those ways! We will create snacks, habitats, art projects and stories, tiny to tall.

CHRIS SHEEHAN

WIZARDING CAMP

July 10-14

Grades 3-5

12:30 to 3:30 pm

Fee: \$200

Summoning all wizards for a week of science, fun and fiction. We will study potions, spells, herbology, care of magical creatures and more! Costumes are encouraged but not required.

AMY BRAND

JULY 17 TO JULY 21

ANIMATE YOUR ART

July 17-21

Grades 5-8

12:30 to 3:30 pm

Fee: \$200

Using ordinary arts and crafts materials, students design, build, and use code to animate their artistic visions! Hummingbird kits are small, programmable circuit boards with specific, color-coded ports for each component that will help students confidently wire microcontroller boards to bring action and movement to their creations.

BETH BAILEY

COOKING CAMP

July 17-21

Grades 4-8

9 am to 12 pm

Fee: \$220

Research shows children who are involved with cooking are better, healthier eaters. Have fun as we learn to cook delicious, healthy meals. Together we will find recipes, plan menus, calculate serving sizes, prepare ingredients, and cook the food. Each day we will prepare a different full meal with dessert, taste our creations, and then package them up to take home.

MARGARET TOLHURST

CERAMICS: WHEEL THROWN

July 17-21

Grades 5-8

9 am to 12 pm

Fee: \$200

In this course students will go over basic wheel throwing techniques. Students will experiment with thrown forms such as mugs, bowls, plates, and vases. This course will cover surface decoration, glazing, and finishing. Enrollment limited to ten students. (Note: We will be unable to glaze all pieces during the class times. A glazing day is included that will take place in late July or early August.)

REBECCA TRACEY

DRAWING, PAINTING, & SCULPTING: PLANT LIFE

July 17-21

Grades 3-5

9 am to 12 pm

Fee: \$190

Let your creativity bloom in the art studio (and outdoors) as we explore plants as a source of artistic inspiration! Using a range of materials we will design gardens, imagine forests, plant seeds in handmade pots, and much more.

KATIE KINDELAN

JULY 17 TO JULY 21

FLAMEWORKING WITH GLASS

July 17-21

Grades 8-12

9 am to 12 pm

Fee: \$315

Participants will learn the basics of glass making in the Harley glass studio. Beginners will be introduced to heating and glass control and then learn how to make simple shapes and figurines. Advanced students work on projects that fit their interests and skill levels. Enrollment limited to six students.

SHANE CARYL

GUITAR CAMP

July 17-21

Grades 3-5

9 am to 12 pm

Fee: \$190

Learn to play guitar! Participants will learn basic guitar technique and easy pieces. Students will play musical games to develop rhythm and listening skills, and they will learn how to tune the guitar, read music, strum, and play as an ensemble. Participants are encouraged to bring their own guitars. (Nylon-string classical guitars are preferred, but any acoustic guitar will work).

ERIK GIBELYOU

MUSIC & ART

July 17-21

Grades 2-5

9 am to 12 pm

Fee: \$190

Spend a week creating art while learning about innovative composers and groundbreaking artists! Campers will listen to examples of absolute music from Bach and Brahms while creating work based on Kandisky's abstract art, then focus on Impressionism as we make a water lily print based on the art styles of Monet and Degas (while listening to Debussy and Ravel). Other styles will include pop art and pop music (Van Gogh), minimalist music (Arvo Part & Henryk Gorecki) and minimalist art (Jo Baer & Piet Mondrian). This music and art overview experience will be tailored specifically to each age group.

KELLY STEVENSON

JULY 17 TO JULY 21

OLYMPIC FENCING CAMP

July 17-21

Grades 3-5

9 am to 12 pm

Fee: \$220

Improve mental agility while enjoying the thrills of swordplay in a safe environment! Fencing is a fun activity that strengthens cognitive abilities without apparent effort! Nicknamed "physical chess" for its ability to provide a full body workout while developing logic and problem solving skills, the Olympic sport of fencing is a unique physical and mental workout. This camp is suitable for beginners and for those with prior experience! Participants must wear athletic shoes (sneakers).

THE ROCHESTER FENCING CLUB

PAINTING

July 17-21

Grades 5-8

12:30 to 3:30 pm

Fee: \$190

In this studio course, students will get a chance to brush up on their drawing and painting skills. We work from a variety of sources, including portraits, still life objects, and collages. Students will create both realistic and abstract artwork. We will be painting several small watercolors, as well as one larger acrylic.

REBECCA TRACEY

TINY TO TALL: A STORYBOOK ADVENTURE ALL ABOUT PERSPECTIVES

July 17-21

Grades K-2

9 am to 12 pm

Fee: \$190

Consider what it would be like to live in a home with an acorn for a table and a needle for a sword. It would mean lots of action-packed adventures just to get your food and survive among big people. How could you do it? Or, consider what it would be like to be a giant. What would the world look like? How would you live? This week campers will enjoy stories about small and tall storybook characters, and make objects to help us experience what it might be like to live in those ways! We will create snacks, habitats, art projects and stories, tiny to tall.

CHRIS SHEEHAN

JULY 24 TO JULY 28

BOOKS AND BAKING

July 24–28

Grades K–2

9 am to 12 pm

Fee: \$220

There is nothing better than curling up with a good book and enjoying a tasty treat! Come join us as we bake our way through books. We will bake story-themed treats to enjoy as we read about fabulous foods. Grab your apron and sign up today!

JENNIFER YOUNG

CREATIVE WRITING: IMAGINATION UNLOCKED

July 24–28

Grades 7–12

12:30 to 3:30 pm

Fee: \$190

Short exercises and writing prompts will help unleash “creative juices” and provide practice for students to learn about character-building, dialogue, vivid description, voice, and more. Writers will have an opportunity to focus on their own creativity and storytelling, as well as learn how to discuss each other's work and provide constructive feedback in a workshop setting. Participants are encouraged to generate new pieces in addition to revising and expanding existing pieces. Bring your journal or laptop.

BETH BAILEY

DANCE: HIP HOP KIDS

July 24–28

Ages 3–6

9 am to 12 pm

Fee: \$190

Back by popular demand—it's our Hip Hop Camp for ages 3–6! During this high intensity week participants will learn hip hop moves and combinations, play dance games and create crafts! A virtual showcase of pictures and videos from our week will be emailed to parents.

FITZSIMMONS DANCE FACTORY

DRAWING, PAINTING, & SCULPTING: ANIMAL LIFE

July 24–28

Grades 3–5

9 am to 12 pm

Fee: \$190

Spread your creative wings in the art studio as we explore animals as a source of artistic inspiration! Using a range of materials we will bring wild, tame, and beloved animals to life in the form of drawings, paintings, and sculptures.

KATIE KINDELAN

JULY 24 TO JULY 28

GIRLS' BASKETBALL CAMP

July 24–28

Grades 5–8

9 am to 3 pm

Fee: \$300

Let's play ball! Improve your basketball skills by working on shooting, dribbling, and invigorating drills. Girls should come prepared each day wearing supportive sneakers, a hair tie, shorts, and a T-shirt. Please also bring a bagged lunch and a water bottle. (Note: Price of the camp includes lunch on Friday, a scrimmage for parents to watch on Friday, and a T-shirt.)

MARGARET TOLHURST

LAUNCH IT! ENTREPRENEURSHIP FOR TEENS

July 24–28

Grades 9–12

9 am to 12 pm

Fee: \$250

Ever wonder how an idea becomes a business? Have your own start-up inspiration, but aren't sure what to do next? Launch It! shows aspiring entrepreneurs the nuts & bolts of how to start a business while cultivating leadership skills and an entrepreneurial mindset. The group will work together to take an idea through the fundamentals of market research, prototyping, marketing, and presenting/pitching. Working with peers, you will solve business challenges in viable ways.

In Harley's Maker Space, students will have access to printers, engravers, laser cutters, and more to bring ideas to life. By the end of the week, students will gain hands-on experience and a business process they can use as the foundation for launching their own ideas.

BETH BAILEY and **SETH O'BRYAN**

OLYMPIC FENCING CAMP

July 24–28

Grades 3–5

9 am to 12 pm

Fee: \$220

Improve mental agility while enjoying the thrills of swordplay in a safe environment! Fencing is a fun activity that strengthens cognitive abilities without apparent effort! Nicknamed "physical chess" for its ability to provide a full body workout while developing logic and problem solving skills, the Olympic sport of fencing is a unique physical and mental workout. This camp is suitable for beginners and for those with prior experience! Participants must wear athletic shoes.

THE ROCHESTER FENCING CLUB

JULY 31 TO AUGUST 4

BIKE CAMP

July 31–August 4

Grades 7–12

8:30 am to 3:30 pm

Fee: \$355

From our base at Harley, participants will cycle to some of the most beautiful and interesting places in the Rochester area. We will use the Erie Canal Towpath, the Genesee River Trail, and other area trails to explore local historic sites and enjoy the region's natural beauty. This camp will emphasize biking fun and safety, but also include stories of Rochester's fascinating past. (Note: Campers will need to bring their own fully functional bike, which will be kept at Harley for the week, a water bottle, snack, lunch, and helmet.) **This is not an intro to cycling. It is for experienced cyclists and athletic kids.** In past years, some campers have struggled to keep up with the pace and distance of a 20–30 mile daily ride. Please carefully consider the strength and fitness of your child in signing up for this camp.

DOUG GILBERT

BOOKS AND BAKING

July 31–August 4

Grades K–2

9 am to 12 pm

Fee: \$220

There is nothing better than curling up with a good book and enjoying a tasty treat! Come join us as we bake our way through books. We will bake story-themed treats to enjoy as we read about fabulous foods. Grab your apron and sign up today!

JENNIFER YOUNG

CODING BONANZA!

July 31–August 4

Grades K–2

12:30 to 3:30 pm

Fee: \$190

Design and create simple games, artistic designs, and robots! Campers learn the basic concepts of computer coding, which enable them to delve deeper into logic and syntax and to discover how to create code in both block-coding languages (Blockly & Scratch) and text-based coding languages (Python and Java). Campers use their coding knowledge to create animations, interactives, and program the Dash and CodeyRocky robots to do amazing things, including navigate through camper-created obstacle courses! Clearly, the robots aren't the only ones who will have fun!

JEANNE WEBER

AUGUST 7 TO AUGUST 11

3D DESIGNING & PRINTING - BEGINNER AND INTERMEDIATE

August 7-11

Grades 4-12

12:30 to 3:30 pm

Fee: \$210

Take your STEAM to the next level using 3D design apps to create! Use 3D design tools to turn your imagination into reality! Campers explore several practical areas of 3D design; animations and creatures, architectural (buildings and layout) community planning representations, 3D topographical maps, as well as artistic 3D sculpture and engineering design prototypes to print. You will experiment, design, and learn about 3D printing technology and its application in medicine, industry, art, and other global fields. There is also the opportunity to design your own 3D objects for printing—maybe a toy or trinket or special gift, maybe a practical object like a phone/tablet stand or luggage tag, maybe a prototype for your own invention! You will print and take home some of your 3D printed creations, and all of your digital designs.

JEANNE WEBER

BIKE CAMP

August 7-11

Grades 7-12

8:30 am to 3:30 pm

Fee: \$355

From our base at Harley, participants will cycle to some of the most beautiful and interesting places in the Rochester area. We will use the Erie Canal Towpath, the Genesee River Trail, and other area trails to explore local historic sites and enjoy the region's natural beauty. This camp will emphasize biking fun and safety, but also include stories of Rochester's fascinating past. (Note: Campers will need to bring their own fully functional bike, which will be kept at Harley for the week, a water bottle, snack, lunch, and helmet.) **This is not an intro to cycling. DOUG GILBERT

FLAMEWORKING WITH GLASS

August 7-11

Grades 8-12

9 am to 12 pm

Fee: \$315

Participants will learn the basics of glass making in the Harley glass studio. Beginners are introduced to heating and glass control and then learn how to make simple shapes and figurines. Advanced students work on projects that fit their interests and skill levels. Enrollment limited to six students.

SHANE CARYL

AUGUST 7 TO AUGUST 11

INTRO TO COMPUTER SCIENCE -CODING/ PROGRAMMING FOR ANYONE

August 7-11

Grades 7-12

9 am to 12 pm

Fee: \$190

Can I really learn a computer language and write code? Build apps? Create video games? Develop websites? Well, you won't know until you try! Campers sign up for an online coding or programming course of their choosing and, for one week, have the full support of an on-site guide. Participants are also surrounded by a community of fellow learners to keep them motivated. The online courses are generally self-paced, and, depending on the level of difficulty, can last from a couple weeks to months. If you are serious about learning a computer language but are not sure about online learning, join us and take the leap!

JEANNE WEBER

MUSIC & ART

August 7-11

Grades 7-12

9 am to 3 pm

Fee: \$310

Spend a week creating art while learning about innovative composers and groundbreaking artists! Campers will listen to examples of absolute music from Bach and Brahms while creating work based on Kandisky's abstract art, then focus on Impressionism as we make a water lily print based on the art styles of Monet and Degas (while listening to Debussy and Ravel). Other styles will include pop art and pop music (Van Gogh), minimalist music (Arvo Part & Henryk Gorecki) and minimalist art (Jo Baer & Piet Mondrian). This music and art overview experience will be tailored specifically to each age group.

KELLY STEVENSON

ROCK BAND CAMP

August 7-11

9 am to 12 pm

Grades 3-5

Fee: \$190

Form a band, learn an instrument, and perform for your adoring fans! All in one week!

AMANDA GRIPE

AUGUST 7 TO AUGUST 11

WRITING THE COLLEGE APPLICATION ESSAY

August 7–11

Grade 12

9 am to 12 pm

Fee: \$190

This supportive weeklong writing workshop will give rising seniors the opportunity to focus on an important and intimidating part of their Common App: the personal essay. Students will begin the workshop by reading model essays and familiarizing themselves with the expectations for this genre. They will engage in a number of informal exercises designed to help students think about who they are and how they want to represent themselves, and learn and practice storytelling techniques that will make their writing compelling. The week will wrap up with structured peer review and tips for self-editing. The goal of the course is not just for students to produce a workable rough draft of the application essay, but for them to gain a better understanding of the college application process as a whole.

PATRICIA MALONE

2023 TEACHERS & COACHES

BETH BAILEY is a published author and poet, entrepreneur, and tech head, Beth is excited to share her skills and creative approach with students at Harley this summer. A former instructor at the Urban League of Rochester's Community Business Academy, and lead for Harley Middle School's Smithsonian Spark!Lab Invent It Challenge team, she brings a mix of creativity and enthusiasm to helping students learn new skills, take risks, and innovate.

AMY BRAND is a fiber artist and Harley School photographer.

SHANE CARLY has been working with glass for over 10 years. He is an instructor at the Rochester Institute of Technology and is an independent artist in the Rochester area.

FITZSIMMONS DANCE FACTORY has been providing dance camps to the Rochester area for over 20 years. They bring experienced teachers to give your dancers a fun and educational summer experience!

DR. ERIK GIBELYOU is a graduate of the Eastman School of Music and enjoys teaching classical guitar to students young and old. He also enjoys teaching college classes in music theory, history of rock and roll, and more.

DOUG GILBERT is a longtime middle school history teacher at Harley.

AMANDA GRIPE has led the Harley Rock Band Camp for two years. They are a multi-instrumentalist and teacher at the Submarine School of Music.

ELL HOBBS is the Lower School art teacher at Harley. They love crafting, painting, sewing, and anything creative!

HOPE KANTOR has been studying Capoeira for over 16 years. She enjoys playing Capoeira with people all over the world and has had the opportunity to do so in Canada, Israel, and across the United States. In Rochester, Hope trains with Com Expressao.

CHRISTINA KERR is a longtime Harley faculty member in the Lower School.

2023 TEACHERS & COACHES, CONT.

KATIE KINDELAN is an artist and art educator with a love of things that move and grow. She is an art teacher in the Upper School at Harley.

SID KRUPKIN is an experienced educator and performer/presenter who has developed an effective response to bullying in many schools and communities. Sid enjoyed a full career teaching English and Communication Arts at the high school level in the Buffalo Public Schools and he has directed educational programs in Florida, Pennsylvania, the Adirondacks, North Carolina, Jamaica, and in Israel. Sid has also performed music extensively in the Western New York region and he has crafted a unique approach to writing songs, poems and essays.

ROBIN LONG retired in 2012 from the Harley Middle School science department in 2012, and since then has focused exclusively on Young Science Explorers. Long believes that connecting young children to the outside world is a major step toward ensuring a healthy world for today and tomorrow.

DR. PATRICIA MALONE has been teaching English and helping students at The Harley School prepare for college-level writing for 14 years. She earned her BA in English and Theatre at the University of Massachusetts and her Ph.D. in Celtic Languages and Literatures from Harvard. Her daughter will graduate from UC Santa Cruz next June (Go Slugs!).

KEN MCBRIDE is a chess expert locally renowned by parents and educators for his ability to teach kids to play chess. He teaches afterschool chess at Harley and has taught in this program for many years.

SETH O'BRYAN is the co-director of the Harley Commons and has taught project based courses for over 20 years, including Entrepreneurship, Capstone, and STEM. He has worked with students to utilize entrepreneurial skills with the laser cutter, 3D printing, digital storytelling and, most recently, the Cricut!

THE ROCHESTER FENCING CLUB has a record of competitive achievement producing national, collegiate, world, and Olympic champions. More specifically, the RFC qualified five members to the 1996 Olympics, four to the 2000 Olympics, one to the 2008 Olympics, produced two World Champions, and placed many fencers on World Championship teams. Our fencers have also won numerous team and individual national championships.

CHRIS SHEEHAN is a teacher with over 25 years experience in Grades 1 through 6, as well as college adjunct teaching experience. She enjoys adventures with her three children as often as possible.

KELLY STEVENSON is the Harley School's strings director and an avid art enthusiast. She is a member of the Flower City Arts Center, where she develops her own film.

MARGARET TOLHURST is Grade 4 teacher at The Harley School. She has also been a Modified Basketball Coach for 17 years.

REBECCA TRACEY is the Middle School art teacher at Harley. She creates functional artwork in wood, ceramics, and metal. Ms. Tracey enjoys experimenting with new art techniques and sharing what she learns with others.

JEANNE WEBER is the Harley Lower School technology teacher.

JENNIFER YOUNG has worked at The Harley School for seven years, as a teacher in Primary 2. She loves to bake, go hiking, and hang out with family and friends.

OTHER PROGRAMS:

DRIVER EDUCATION

All area high school students are welcome. Students must be **16 years old by June 26, 2023** and have a learner's permit or license to participate. The course teaches students to be safe, defensive drivers. The 5-hour course certificate is also issued during the course to anyone eligible to sign up for their road test. After successful completion of the course, students will receive a New York State Senior Night License (MV-285) This enables 17-year-old students to drive legally after 9 pm.

June 26–August 10, 2023.

Fee: \$620

TENNIS

Available through Empire Tennis Academy.

See **empiretennisacademy.com** for details about their summer programming.
